VS.

Casey Rose (a)

Motion For Continuance

Comes now the Defendant, Casey Rose, pro se, and hereby request notice for continuance of trial. I ask for the continuance on the grounds of having ample time to review the evidence, to develop a strategy, and to familiarize myself with the ways the court works.

Respectfully submitted this 20th day of August, 2015

Judge,

8-20-15

Thank you for allowing me to go
Pro se. I realize that doing this is a
complicated matter. I'm a little over-
whelmed. I'm still trying to find the
proper way and order to do things.

I feel it would be in my best interest
if I had some more time to develop
a strategy and to familiarize myself
with the way the court works.

I did get to look at some of
the evidence, although I was shackled at
the waist and was troubled to write.

Please grant me my motion for
Continuance. Take into account this
was my first motion I have ever
filed in my life and I did it all
by myself.

Respectfully,

Sylvia Guardiola 8-21-15
